Dear Vendor ~

Enclosed is this year's vendor application, or you can apply and pay online at www.prairieartsfestival.org. Remember to include pictures of your items and/or booth set up. We need pictures for several reasons: First, it determines your acceptance into the festival and best booth placement of your merchandise; and second to promote the Festival on Facebook and various media sources so it's a successful day for everyone. We love emailed pictures best, lklutts@westpointms.org or include your Facebook page if you have one.

First round of booth assignments will be mailed August 1st. **If you are a returning vendor you will have priority for your same booth space from last year until 8/1/2021. This year we will be taking returning vendors first and then considering new vendors depending on space that allows for social distancing of both vendors and customers, as we all continue to managing COVID in 2021.** Due to the large number of phone calls our office receives we cannot hold space without an application and booth fee. A completed application is considered once payment and pictures are received with your application, then a booth assignment can be made. Refunds are at the discretion of the Prairie Arts Committee, and no refunds will be given the week of the festival or for inclement weather. The Prairie Arts Festival has very limited number of booths available for resale items and once they are full no exceptions will be made. The Park is reserved only for juried fine artists and handmade craft vendors. A full list of rules and set up information are included with your application.
